

MONTHLY PLEDGE PROGRAMS

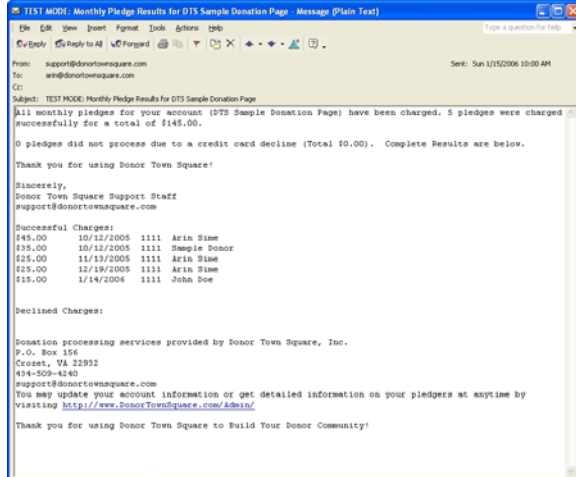

Please check this box if you would like to make this a monthly pledge. If you check it, we will charge your card automatically each month for the same amount. [pledge program details](#)

If you would like to specify a specific date to stop pledging monthly to this group, please use the calendar below. Keep in mind that you may also cancel your monthly pledge anytime online at <http://www.DonorTownSquare.com/EditPledge/>.

January 2006

29	30	31	1	2	3	4

Yes, please charge my card monthly

No, please process this as a one-time donation

Donor Town Square home page. Your donors can look up their pledge based on their name, the amount of the last charge, and the last 4 digits of the credit card. Then they can edit the amount, the card it is charged to, and contact information. They can also pick a date to end their pledge. You can even look up their pledge in the secure Donor Town Square administration site and do it for them!

Features you can customize:

- Confirmation email text of their pledge. This is sent in addition to the regular donation confirmation email.
- Monthly receipt text. Each month your donor receives an email letting them know their card has been charged. Customize this to thank them for their continued support.
- Declined credit card email. If a card is declined, your donor receives an email with instructions on how to edit their credit card. Customize this to encourage them to renew their support!

What is a Monthly Pledge Program?

When your donors donate through your donation page, they can check a box to make their donation a recurring charge on their credit card each month. This provides your group with an ongoing base of financial support you can count on, and your donors with an easy and secure way to help you achieve your goals!

How It Works:

Pledge Programs are built into all Donor Town Square accounts automatically. Your donors just check a box when they make a regular donation to you, choose how long they want to pledge for, and that's it! Each month, they will receive an automatic thank you email from your group. As the account owner, you receive an email each month also listing all the pledges charged and if any were declined.

How do I get my donations?

Monthly Pledges are treated the same as regular donations. Pledges are processed on the fifth of the month, and on the next Monday we will include the pledge settlements as part of your normal settlement check. The same transaction fees apply. If you host your website with us or use our Advanced Fundraising accounts, then your funds can be deposited to your bank.

How do my donors cancel their pledge?

Each time your donor's card is charged, they will be reminded of the secure Donor Town Square page they can go to and edit or cancel their pledge. This page is shown prominently on the
